IMPORTANT INFORMATION

ACCEPTABLE GRADES

Grades of B- or better are required in all courses applied to the program for those students beginning in Fall 2016 catalog or later. In order to remain in good academic standing and to receive their degree, a student is required to maintain at least a B (3.0) GPA, which includes all work required for the MCJ degree while taken at UCCS (classified and unclassified) and may differ from the University GPA.

REPEATING COURSES

A student who earns a grade of B- or below in a course may repeat that course once, with the approval of the program director, provided the course has not been previously applied toward a degree. The grade received in a repeated course may substitute for the original grade and only the latter grade will be used in calculating the graduate program grade point average required for graduation; however, all grades received during the student graduate school experience will appear on the student's transcript and will be used in calculating the student's University grade point average.

CERTIFICATES

Students may choose to focus electives so as to earn one or more graduate certificates concurrently with the MPA/MA SOC degree. Graduate certificates available for MPA students through UCCS include: Nonprofit Management; Public Administration Leadership and Management; Criminal Justice; Homeland Security and Emergency Management; National Security Intelligence; and Grant Writing, Management, and Program Evaluation. You must submit a Certificate Declaration form to the Graduate Student Services Specialist in the College of Public Service in order to pursue a certificate(s).

INTERNSHIPS

Students are determined to be "pre-service" or "in-service" by the MPA Program Director at the time of admission. Pre-service students—those without at least one year of professional experience in a public administration-related field (e.g., government, nonprofit, national security, homeland security, or emergency management)—must complete PADM 6910 Internship for an additional 3 credit hours, bringing the total credit hours required for the dual degree to 56. In-service students have significant relevant work experience and are not eligible to take PADM 6910.

Pre-service students must have completed at least 9 hours of coursework to enroll in Internship. A minimum of 240 hours of supervised work is required to earn 3 hours of credit. Internships are graded on a Satisfactory/Unsatisfactory basis.

Internship guidelines are set forth in the MPA Student Internship Information Handbook.

CAPSTONE VS THESIS

Please discuss your options with your faculty advisor early in your program. A Capstone/Thesis orientation is held in both the fall and spring and is open to all College of Public MPA/MA SOC graduate students. All core courses must be completed before enrolling in Capstone or Thesis.

GRADUATION

Students should meet with their faculty advisor or the Graduate Student Services Specialist periodically to ensure they are meeting the requirements for graduation. Please apply for graduation at the beginning of the semester in which you intend to graduate. Deadlines and forms are found on the Graduate School website.
