IMPORTANT INFORMATION**ACCEPTABLE GRADES**

Grades of B- or better are required in all courses applied to the program for those students beginning in Fall 2016 catalog or later. In order to remain in good academic standing and to receive their degree, a student is required to maintain at least a B (3.0) GPA, which includes all work required for the Dual MPA/MCJ degree while taken at UCCS (classified and unclassified) and may differ from the University GPA.

REPEATING COURSES

A student who earns a grade of B- or below in a course may repeat that course once, with the approval of the MPA or MCJ program director, provided the course has not been previously applied toward a degree. The grade received in a repeated course may substitute for the original grade and only the latter grade will be used in calculating the graduate program grade point average required for graduation; however, all grades received during the student graduate school experience will appear on the student's transcript and will be used in calculating the student's University grade point average.

CERTIFICATES

Students may choose to focus electives so as to earn one or more graduate certificates concurrently with the Dual MPA/MCJ degree. Graduate certificates available to Dual MPA/MCJ students through UCCS include: Nonprofit Management; Public Administration Leadership and Management; Criminal Justice; Homeland Security and Emergency Management; National Security Intelligence; and Grant Writing, Management, and Program Evaluation. You must submit a Certificate Declaration form to the Graduate Student Services Specialist in the College of Public Service in order to pursue a certificate(s).

INTERNSHIP/FIELD STUDY

Pre-service students—those without at least one year of professional experience in a criminal justice-related field or a public administration-related field (e.g., government, nonprofit, national security, homeland security, or emergency management)—are required to complete either PADM 6910 Internship or CRJU 6910 Field Study in Criminal Justice, which replaces one elective course. Student employment is not eligible to count as relevant work experience.

The student's need for an internship/field study is determined by the MPA and MCJ program directors at the time of admission; each student is notified of this decision in their admission letter. Students for whom an internship / field study is required should work with their advisor to find a placement that satisfies all requirements.

Students must have completed at least 9 credit hours of coursework to enroll in internship/field study. A minimum of 240 hours of supervised work is required to earn 3 hours of credit.

Should a student gain at least one year of professional experience during their tenure in the program, they may submit a Graduate Internship Waiver Request Form that will be reviewed by the MPA and MCJ program directors.

CAPSTONE VS THESIS

Please discuss your options with your faculty advisor early in your program. A Capstone/Thesis orientation is held in both the fall and spring and is open to all College of Public Service MPA and MCJ graduate students. All core courses must be completed before enrolling in Capstone or Thesis.

GRADUATION

Students should meet with their faculty advisor or the Graduate Student Services Specialist periodically to ensure they are meeting the requirements for graduation. Please apply for graduation at the beginning of the semester in which you intend to graduate. Deadlines and forms are found on the Graduate School website.
