IMPORTANT INFORMATION

ACCEPTABLE GRADES

Grades of B- or better are required in all courses applied to the program for those students beginning in Fall 2016 catalog or later. In order to remain in good academic standing and to receive his/her degree, a student is required to maintain at least a B (3.0) GPA, which includes all work required for the MPA degree while taken at UCCS (classified and unclassified) and may differ from the University GPA.

REPEATING COURSES

A student who receives a grade below B in a course may repeat that course once, with the approval of the MPA program director, provided the course has not been previously applied toward a degree. The grade received in a repeated course may substitute for the original grade and only the latter grade will be used in calculating the student's MPA GPA for graduation; however, all grades received during the student graduate school experience will appear on the student's transcript and will be used in calculating the student's UCCS GPA.

CERTIFICATES

Students may choose to focus electives so as to earn one or more graduate certificates concurrently with the MPA degree. Graduate certificates available for MPA students through UCCS include: Nonprofit Management; Criminal Justice; Homeland Security and Emergency Management Leadership; National Security Intelligence; and Grant Writing, Management, and Program Evaluation. You must submit a Certificate Declaration form to the Graduate Student Services Specialist in the College of Public Service in order to pursue a certificate(s).

INTERSHIPS

Pre-service students must complete an internship, bringing the total number of credit hours required for the MPA to 39. Students must have completed at least 9 hours of coursework to enroll in PADM 6910. The internship is graded as Pass/Fail. The internship is required for students lacking significant, professional experience in the public or nonprofit fields. Eligibility is determined at the time of admission.

Internship guidelines are set forth in the MPA Handbook at cps.uccs.edu. The director of the MPA program examines each student's application to the program and determines whether an internship is appropriate or should be waived. Students are notified of this decision in their admission letter. Students who believe vital experiences have been overlooked may ask the MPA program director to reconsider the decision by submitting a written request. In-service students who are interested in professional development opportunities can request to take an Independent Study (PADM 9500); the internship course is not available for in-service students. Using this option, a plan can be tailored to best meet their needs.

CAPSTONE VS THESIS

Please discuss your options with your faculty advisor early in your program. A Capstone/Thesis orientation is held in both the fall and spring and is open to all College of Public graduate students. All core courses must be completed before enrolling in Capstone or Thesis.

GRADUATION

Students should meet with their faculty advisor or the Graduate Recruitment and Retention Specialist periodically to ensure they are meeting the requirements for graduation. Please apply for graduation at the beginning of the semester in which you intend to graduate. Deadlines and forms are found here: <http://www.uccs.edu/~graduateschool/>¹
