IMPORTANT INFORMATION

ACCEPTABLE GRADES

Grades of B- or better are required in all courses applied to the program for those students beginning in Fall 2016 catalog or later. Grades of B- or better are required in core courses and Capstone/Thesis; and C or better in electives for those students beginning in an earlier catalog. In order to remain in good academic standing and to receive his/her degree, a student is required to maintain at least a B (3.0) GPA, which includes all work required for the MCJ degree while taken at UCCS (classified and unclassified) and may differ from the University GPA.

REPEATING COURSES

A student who receives a grade below B in a course may repeat that course once, with the approval of the MCJ program director, provided the course has not been previously applied toward a degree. The grade received in a repeated course may substitute for the original grade and only the latter grade will be used in calculating the student's MCJ GPA for graduation; however, all grades received during the student graduate school experience will appear on the student's transcript and will be used in calculating the student's UCCS GPA.

CERTIFICATES

Students may choose to focus electives so as to earn one or more graduate certificates concurrently with the MCJ degree. Graduate certificates available to MCJ students through UCCS include: Nonprofit Management; Public Management; Homeland Security and Emergency Management Leadership; National Security Intelligence; and Grant Writing, Management, and Program Evaluation. You must submit a Certificate Declaration form to the Graduate Students Services Specialist in the College of Public Service in order to pursue a certificate(s).

INTERNSHIPS

Pre-service students (those without at least one year of professional work experienced in a criminal justice field) are also required to complete a three-credit internship course. Some students, who are initially required to complete an internship, later obtain employment that would merit a waiver while still a student in the MCJ program. In such circumstances, the student may request a waiver of the internship requirement from the MCJ program director. If the internship is waived, the student will be required to take an additional elective to make up the three credit hours. Students are notified in their admission letter of whether or not an internship is required.

CAPSTONE VS THESIS

Please discuss your options with your faculty advisor early in your program. A Capstone/Thesis orientation is held in both the fall and spring and is open to all College of Public Service graduate students. All core courses must be completed before enrolling in Capstone or Thesis.

GRADUATION

Students should meet with their faculty advisor or the Graduate Student Services Specialist periodically to ensure they are meeting the requirements for graduation. Please apply for graduation at the beginning of the semester in which you intend to graduate. Deadlines and forms are found here: <https://graduateschool.uccs.edu/>
